

The Art of Devising

THEATRE SEMINAR

ONE WEEK INTENSIVE THEATRE WORKSHOP, RESULTING IN A PERFORMANCE ON HORTO FESTIVAL

03-10.7.2025

Horto (Chorto), Pelion, Greece

2025 THEME: Genetic Memories

The Art of Devising workshop is for directors, actors or dancers, students, drama or dance teachers or anyone interested in embarking on a journey of personal revelations and artistic development. The seminar will focus on developing acting and movement/dancing skills, work on physical expression as well as organic work on voice and singing. The devising process will start with researching the chosen topic, developing and creating material that will be at the end shaped into a performance.

Sanja Krsmanovic Tasic is a theatre director, choreographer, actress, drama and dance pedagogue, Artistic Director of Hleb teatar, President of Center for Drama in Education and Art, Serbia and President of IDEA (www.ideadrama.org)

Comments of participants:

I expected that it would be a creative process full of inspiration, deep insights, cooperation with lovely people and also fun. So, all my expectations were fulfilled and even more than that.

Alžběta

This workshop was particularly powerful and stimulating for me. I admire not only Sanja's great ideas, but especially her sensitive, perceptive, patient and warm leadership.

Yitka

The lecturer is a wonderful being, she is a professional and at the same time deeply human. It was a transformative, enchanting connection with others and with yourself, safely and joyfully through the creative process.
